Executive Director Letter

Dear Legislators,

TIB completed one of its most successful years since the initial 1990 grant awards, thanks in large measure to new gas taxes support by legislators and the voters. We developed two new programs in 2005 using new law revenue - the Small City Pavement Program and our Corridor Completion Initiative. Both are described below.

We also made excellent progress with our administrative agenda. Our response to Governor Gregoire's GMAP (Government Management & Accountability) directive uses an innovative software solution to process and display program data via an Intranet website. This data is used throughout the agency to improve staff and program effectiveness. All TIB procedures have been reviewed and modernized. We are in the process of rewriting all WAC rules to ensure currency and adherence to the agency's primary goal: fully-funded and completed projects.

New for 2006

- TIB developed and implemented a special funding round for 2005 called the Corridor Completion Initiative. Eligible projects had to be the final stage of an urban corridor with prior TIB funding. Eight Corridor Completion projects received final stage funding in November 2005. The initiative was made possible by new law revenue from the Transportation Partnership Account.
- TIB developed the Small City Preservation Program in accordance with Senate Bill 5775. TIB staff collected pavement data from each small city with a population of 5,000 or less. We developed the program structure and selection criteria with input from customer agencies. TIB will offer \$2 million for award in January 2006 using new law revenue from the Transportation Partnership Account.
- TIB doubled funding for small cities between 2003 and 2005 using current law revenue due to the large number of high ranking projects applied for each year.

Steve Gorcester
Executive Director

About the Measures

Message From the Chair

The Transportation Improvement Board combined with its predecessor, the Urban Arterial Board, is approaching its 40th year of investing in Washington's infrastructure.

Today, the TIB has an outstanding track record of assisting customer agencies in completing a wide array of projects from small town sidewalks in LaCrosse to the Coal Creek urban corridor in East King County. More than 700 TIB funded projects were completed over the past four years. For 320 agencies, TIB grants represent a cornerstone of successful project funding.

During 2005, TIB has been preparing to implement new programs. The 2005 Legislature recognized the agency's success and provided additional funding from the Transportation Partnership package supported by a phased 9.5 cent gas tax increase. The Small City Preservation Program received \$2 million per biennium from those funds. The remaining new law revenue is added to the existing Urban Corridor Program.

Board members and staff spent the year updating program selection criteria and preparing to award new projects in November 2005. Corridor completion projects were identified through an application and rigorous interview process. TIB subsequently invested \$45 million in the final stage of eight urban corridors throughout the state. TIB staff collected pavement condition ratings for more than 2,500 miles of small city streets and a call for projects went out in November 2005. The 2006-2007 Small City Preservation Program will be awarded January 27, 2006.

TIB continues to make administrative strides. Governor Gregoire's GMAP and Plain Talk initiatives were implemented and continue to improve our business practices. TIB's GMAP response uses a digital dashboard Intranet solution to report real time business results and alert managers to pending problems. The backlog of delayed projects has been reduced to an all time low through close project management and customer assistance, all while reducing administrative costs.

The TIB is strong, productive and determined to make the best possible use of public resources in constructing local roads. I am proud to be a part of the Transportation Improvement Board and its making a positive difference with safety and congestion on streets, roads, and sidewalks in communities across the state of Washington.

Sincerely,

Leo Bowman, TIB Chair

TIB 2006 Meeting Schedule

Date	City
January 26-27	Olympia
March 23-24	Bellingham
May 18-19	Spokane Valley
July 27-28	Richland
September 21-22	North Bonneville
November 16-17	Federal Way

FY 2005 Performance Summary

The Transportation Improvement Board continues to control its financial commitments by closely monitoring the progress of individual projects. The following benchmarks were established as part of TIB's ongoing commitment to improve performance and accountability.

Performance Measure	Target	2005 Performance Status
Active Project Inventory	Optimal inventory is less than 550 active projects	472 active projects
Average Grant Per Project	Greater than \$1 million per project to promote effective programs	\$1.4 million
Average Life Cycle of a Project	To help stabilize the demand for funds: Urban Corridor Program (UCP) less than 5.5 years Urban Arterial Program (UAP) less than 4.5 years Small City Arterial Program (SCAP) less than 2.5 years	UCP 8.1 years UAP 5.8 years SCAP 2.7 years
Project Increases	Equal to or less than zero (net change in obligations)	- \$6.4 million (net surplus)
Account Balance	Greater than \$5 million each for: Fund 112 – Urban Arterial Trust Account (UATA) Fund 144 – Transportation Improvement Account (TIA)	UATA \$12.8 million TIA \$4.6 million
Outstanding Payables	Less than \$5 million each in UATA and TIA	UATA \$5.7 million TIA \$6.0 million
Payment Cycle	Urban agencies paid within 60 days Small cities paid within 30 days	Urban agencies 50 days Small cities 21 days

FY 2005 Capital & Operating Expenses

The Capital and Operating Expenses for Fiscal Year 2005 were \$100,281,284. The Transportation Improvement Board's operating expenditures were 1.5% of the total amount spent.

Fiscal Year 2005 Capital & Operating Expenses	
Transportation Partnership Program Capital Expenditures	\$50,850,721
Urban Arterial Transportation Account Capital Expenditures	\$47,903,147
Administrative Operating Expenditures	\$1,527,416
Total	\$100,281,284

Our Capital Budget for Fiscal Year 2006 is \$108,788,000. This includes new law revenue awarded to the Transportation Improvement Board (TIB) during the 2005 legislative session. For the 2007 Biennium, the Transportation Improvement Account (TIA) received \$5 million of additional appropriation to help fund newly selected corridor completion projects. A separate biennial appropriation of \$2 million was allocated to our new Preservation Program for small cities. Our appropriation for Fiscal Year 2006 operating expenditures is \$1,607,000.

Small Cities TIB for Towns

Featured Projects

TIB's small cities program provides street and sidewalk grants for incorporated communities with a population of 5,000 or less.

- Moxee: Postma Road
- Prosser: Wine Country Road
- Chelan: Newstreets Overlay
- Yelm: Stevens Street

City of Moxee: Postma Road

Postma Road Beaudry Road to LaFramboise Road

- The reconstruction of Postma Road helped the city of Moxee attract the Ace Hardware distribution warehouse, which will increase employment and the tax base of the town.
- Widened Postma Road to three lanes with sidewalks and bike lanes.
- Accommodates large trucks accessing the town's industrial park.

Total TIB Funds:	\$400,000
Total Cost:	\$515,000

City of Prosser: Wine Country Road

Wine Country Road I-82 to Meade Avenue

- Reconstructed and widened road with sidewalks and a center turn lane.
- Reconstructed an existing railroad bridge, rehabilitated an existing bridge, and constructed a new parallel bridge over the Yakima River.

- Improves freight mobility and opportunity for economic development.
- Increases vehicle and pedestrian safety.
- TIB funding provided match to federal funds, and because of program flexibility was able to assist the town with a shortfall at project completion.
- Project funding included a major investment by the Washington State Freight Mobility Board.

Total TIB Funds:	\$600,000
Total Cost:	\$15,000,000

City of Chelan: Newstreets Overlay

Newstreets Overlay Woodin and Chelan Avenues

- Rehabilitated two of the city's primary routes. The resurfacing extends the service life of the road for at least ten years.
- Used an innovative partnership between TIB and WSDOT that includes small town paving projects with much larger state highway contracts to take advantage of the state's buying power. The project reduced paving costs about 33 percent compared to a separate small contract. TIB reimbursed WSDOT construction and administrative costs.
- Updates wheelchair ramps to provide safe ADA compliant access for all pedestrians, regardless of physical needs.

Total TIB Funds:	\$310,000
Total Cost:	\$310,000

City of Yelm: Stevens Street

Stevens Street
First Street to Fourth Street

- Constructed a new segment of Stevens Street, completing an alternate route to congested SR-507 in the central business district.
- Improves traffic safety and mobility throughout downtown by providing an alternate route for local traffic off of the state highway.
- An additional TIB grant awarded in 2005 will extend the Stevens Street corridor.

Total TIB Funds:	\$535,000
Total Cost:	\$725,000

TIB Urban Arterials

Featured Projects

The urban arterial program focuses on correcting hazards and rebuilding aged infrastructure.

- Camas: NW Lake Road
- Spokane: Monroe Street Bridge
- Wenatchee: Maple Street
- Sammamish: Issaquah-Pine Lake Road
- Grant County: Big Bend Community College Parkway

City of Camas: NW Lake Road

Northwest Lake Road
Northwest Leadbetter to SE 192nd Avenue

- Constructed a major widening of a key commercial corridor on the west side of Camas in the region's high technology area.
- Supports economic development and concurrency.
- Improves vehicle and pedestrian safety.

Total TIB Funds:	\$3,700,000
Total Cost:	\$10,000,000

City of Spokane: Monroe Street Bridge

Monroe Street Bridge
South Approach to Bridge Avenue

- Provided a major bridge rehabilitation that will serve the city for another 75 years.
- The bridge retains its graceful historical appearance while improving the design and stability of this prominent downtown landmark and key travel corridor.

Total TIB Funds:	\$2,000,000
Total Cost:	\$14,700,000

City of Wenatchee: Maple Street

Maple Street

Wenatchee Avenue to Western Avenue

- Provided an east-west connection between Wenatchee Avenue and Western Avenue, the city's two primary north-south arterials.
- Widened existing road to three lanes with sidewalks and bicycle lanes.
- Improves school walking route.

Total TIB Funds:	\$1,400,000
Total Cost:	\$2,000,000

City of Sammamish: Issaquah-Pine Lake Road

Issaquah-Pine Lake Road 234th Avenue to 231st Lane

- Improves safety by converting a busy stop sign controlled intersection into a roundabout at SE 32nd Way.
- Improves access to schools, fire department, and I-90.
- Widened Issaquah-Pine Lake Road to three lanes with sidewalks, bike lanes, and landscaping.

Total TIB Funds: \$815,000
Total Cost: \$2,000,000

Grant County: Big Bend Community College Parkway

Big Bend Community College Parkway

- Constructed a new parkway circling the Big Bend Community College campus.
- Eliminated several substandard county roads.
- Improves safe access to campus facilities by enhancing vehicle and pedestrian mobility.

Total TIB Funds:	\$900,000
Total Cost:	\$1,500,000

TIB Urban Corridors

Featured Projects

Urban corridor projects make major street network improvements to improve safety, provide access to all travel modes, and to accommodate economic growth and concurrency.

- King County: South 277th Street Overcrossing
- Yakima County: Keys Road
- West Richland: Keene Road
- Federal Way: Pacific Highway South (SR 99)

King County: South 277th Street Overcrossing

South 277th Street Overcrossing West Valley Highway to East Frontage Road

- Completed corridor improvements between I-5 and SR 516 providing capacity for concurrency and improving safety by bridging over the BNSF and UP railroads.
- Widened South 277th Street between the West Valley Highway and the east SR 167 frontage road. The project included widening of the SR 167 overcrossing to seven lanes with sidewalk and raised the intersection at West Valley Highway.
- Accommodates large trucks accessing industrial land in Kent and Auburn.
- Eliminates flooding problems.

Total TIB Funds:	\$400,000
Total Cost:	\$515,000
Total TIB Corridor Investment:	\$20,000,000

"These projects are perfect examples of state gas tax dollars doing the needed work to make travel easier and safer...Rebuilding South 277th Street in King County provided much needed congestion relief in a busy travel corridor near Auburn and Kent. Our project increased capacity, so that 277th can safely carry the 24,000-plus vehicles expected to use it daily by 2020."

- Ron Sims, King County Executive

Yakima County: Keys Road

Keys Road
Terrace Heights Drive to SR-24

- Supports economic development by providing a new north-south urban arterial east of I-82 between Terrace Heights Drive and SR 24.
- Replaced several substandard county roads.
- Provided a new urban corridor with four lanes, sidewalks, bike lanes, and traffic signals.

Total TIB Funds: \$2,300,000

Total Cost: \$5,900,000

Total TIB Corridor Investment: \$3,700,000

City of West Richland: Keene Road

Keene Road

Keene Village to Bombing Range Road

- Constructed a new road along an abandoned rail-road right-of-way to merge two deficient roads into one new arterial.
- Improves safety by eliminating a sharp turn and an obsolete bridge from the parallel roads.
- Provides pedestrian and bike access between West Richland and Kennewick by connecting existing paths.

Total TIB Funds:	\$2,000,000
Total Cost:	\$2,500,000
Total TIB Corridor Investment:	\$5,400,000

City of Federal Way: Pacific Hwy South

Pacific Highway South (SR 99) South 324th Street to 16th Avenue

- Reconstructed and added HOV lanes on Pacific Highway South (SR 99) to improve safety, transit mobility, and revitalize the corridor by providing sidewalks and landscaping appropriate to an urban downtown.
- Improves pedestrian safety and access to transit by constructing sidewalks, ADA access, and transit shelters throughout the corridor.
- TIB funded the final phase of Pacific Highway South in November 2005 to complete 15 miles of urban corridor improvements from Tukwila to Federal Way.

Total TIB Funds:	\$5,000,000
Total Cost:	\$11,000,000
Total TIB Corridor Investment:	\$54,000,000
